

UTAH RUGBY REFEREE SOCIETY

Mission Statement

Rugby is a growing sport in Utah. As a Referee Society, it is our goal to promote and support every activity aimed towards the development of referee's, player's, and coaches' understanding of the Law of the Game - World Rugby Union Laws, and safety on the playing field. Our local communities will know that rugby is a safe sport to be involved in that is played in all age-grades.
